Brent has not completed the bonding paperwork but was in our office today and will have all the signatures etc. shortly. The money is in the bank but since he did a cd it takes some additional paperwork on the bank's side to complete. The division will most certainly get this to you as soon as it is complete. Leslie Heppler(Juab County) will be the inspector for this project. See attached inspector's assignment fro the Division.

Tom:

I will be sending out a bond calculation and approval to Mr. Cox on his project to reclaim the gypsum stock pile up Little Salt Creek. Can you please send me a copy of the bond agreement he has with UDOGM?

Thanks!!
